Dear Sir Robert.

May we request that
you will do our club the
honour to address us during
the coming season?

As Chairman of the
Social Science Dept. of
the Club, I feel it would
be a great privilege to have
you speak to us upon
some subject allied with

Mrs. E. O. Angus,

Montreal.

Dear Mrs. Angus:

It is an honor that you do me again to ask me to address the Women's Canadian Club of Montreal during the coming session, and I shall be glad to do so. Owing, however, to the many engagements that I have already made it will be very difficult for me to go to Montreal earlier than December 15th. Probably that date would suit me as well as any other.

Yours sincerely,

President.

Montreal Women's Club

June 16th 1919.

Dear Sir Robert.

Very many thanks for your kind letter saying that you would address our club on Dec. 15th.

I hope I shall call your attention to the fact that we are the Montreal Women's Club not the Canadian Club. Our organization is a similar club to the Canadian Club probably the only difference

As you will notice by our calendar we have a yearly election of officers so this will be some changes in our new one which my secretary will send you when it is published.

Again thanking you for your kindness.

Believe me.

Sincerely yours

Ethel H. Hyde.

P.S. Kindly excuse condition of calendar which is the only one available

Ella.

being that we do practical work in connection with our departments. I enclose a copy of last years Calendar which will give you an idea of the aims and objects of our Club.

In closing allow me to express on behalf of the Montreal Women's Club our deep gratitude for the honour you will do us next December and let me assure you of our hearty appreciation.

June 28th, 1919

Dear Mrs. Angus:

I observe my mistake that it is the Montreal Women's Club and not the Canadian Club for which you have asked me to speak. I have not yet had time to go through the Calendar but I will do so almost immediately. Meantime, I will make the date a fixture.

Yours sincerely,

President.
